**NOW THEREFORE, BE IT RESOLVED BY THE LITTLE ROCK MUNICIPAL AIRPORT COMMISSION (COMMISSION):**

**Section 1. Authority of Executive Director**

The Executive Director or his/her authorized representative shall have the exclusive power and responsibility to make purchases of all supplies, apparatus, equipment, materials, and other things requisite for public purposes in and for Bill & Hillary Clinton National Airport ("Airport"), and to make all necessary contracts for work, labor, or services to be performed, or materials or other necessary things to be furnished for the benefit of the Airport in carrying out any work or undertaking of a public nature therein for all budgeted items approved by the Commission. All unbudgeted purchases or contracts for Seventy-Five Thousand dollars (\$75,000.00) or more per annum shall first be reviewed by the Lease Committee and then forwarded to the entire Commission for approval.

**Section 2. Competitive Quotes, Bids & Proposals**

- A. Where the amount of the expenditure for any purchase or contract authorized in Section 1 is less than Five thousand dollars (\$5,000.00), the Executive Director, or his/her authorized representative, shall use their best efforts to determine the best value. Where the amount of the expenditure is Five thousand dollars (\$5,000.00) or more but less than Seventy-Five thousand dollars (\$75,000.00) per annum, written quotes shall be taken to determine the lowest responsible and responsive quote. The Executive Director, or his/her designee, is authorized, at his/her sole discretion, to accept, reject, and/or negotiate with any and all vendors in the best interest of the Airport.
  
- B.
  1. Where the amount of expenditure of any purchase or contract authorized in Section 1 is Seventy-Five thousand dollars (\$75,000.00) or more per annum, the Executive Director, or his/her authorized representative, shall invite competitive bidding thereon by legal advertisement published one (1) time or as required by law in any local daily newspaper or on the Airport website. Bids received pursuant to the advertisement shall be opened not less than seven (7) days or typically more than thirty (30) days following the advertising date of invitation to bid unless the Executive Director or his/her authorized representative authorizes an increase in the maximum number of days the bid shall be open due to the complex nature of the solicitation.
  
  2. When the use of competitive bidding is determined not to be feasible, the Executive Director, or his/her authorized representative, may invite

competitive proposals thereof by legal advertisement published one (1) time or as required by law in any local daily newspaper or on the Airport website. Proposals received pursuant to the advertisement shall be opened not less than seven (7) days or typically more than thirty (30) days following the advertising date of invitation unless the Executive Director or his/her authorized representative authorizes an increase in the maximum number of days the proposal shall be open due to the complex nature of the solicitation.

- C. In the event the total price to be awarded on any contract or purchase is less than Seventy-Five thousand dollars (\$75,000.00) per annum, the Executive Director, or his/her authorized representative, shall be authorized to award the contract or purchase without transmitting the bid or proposal to the Commission.

- E. No single asset owned by the Airport shall be sold or exchanged without competitive bidding unless the Executive Director, or his/her authorized representative, shall certify in writing that, in his/her opinion, the fair market value of such property is less than Twenty-five thousand dollars (\$25,000.00). All records associated with any asset disposal process shall be maintained by the Finance Department.

- F. The Commission or the Executive Director and his/her authorized representative reserve the right to reject any and all bids or proposals, to waive any formalities and/or technicalities in any bid or proposal, or to solicit new bids or proposals or to accept any bid or proposal which is deemed to be more advantageous to the Airport.

- G. The Commission, by Resolution or by vote on an Action Item may approve staff recommendation and/or waive the requirement of competitive bidding in exceptional situations where such procedure is not feasible (for example, but not limited to, sole source vendors, and/or service providers, cooperative purchasing agreements, and the State contract list that has been previously approved by the Commission.)
  
- H. Vendors which provide products, support or services that have been chosen and approved by the Commission, that are protected by patent, or in which a competitive alternative is not available, shall be maintained on a Sole Source Vendor List. The Executive Director shall establish the qualifications and evaluation criteria necessary for the specific services to be provided.
6. For any professional service contracts in excess of Seventy-Five thousand dollars (\$75,000.00) per annum, the Executive Director will send the Selection Panel's recommended selection preference to the Lease and Consultant Selection Committee as an action item for consideration and approval.
